Zinn Chapter Summary/Analysis

**Directions:**

- You must identify and explain 6 to 8 “Main Ideas” for each chapter from the text – these should be in your own words and reflect major themes from the chapter.

- You must identify and include 4 to 6 quotes from the chapter text or quotes that Zinn has used within the text. The quotes should have an identifiable source. Explain briefly why you chose that specific quote.

- Develop 3 to 5 questions about the chapter that can be used for further analysis and thought regarding the content – remember you should always be interacting with the text.

- You must identify 6 to 10 key terms and/or identifications from the chapter – people, events, legislation, etc.

- Write a 1 to 2 paragraph personal reflection, reaction, and analysis of the chapter. What new perspective did the chapter provide? How did the chapter reinforce or contradict what you previously believed or what was discussed in class? How did the chapter enhance your understanding of the material from the unit?
